### Cards

Mr. and Mrs. B. C. Anthony entertained recently in honor of Mr. and Mrs. W. D. Anthony, of Dallas, Eight jolly games of "42" were enjoyed, Mrs. Vernon Rogers was successful in winning the first prize for the women and M. C. Yerkes won the men's prize, While W. D. Anthony received a clgar for the consolation, and M. C. Yerkes a package of gum. At the close of the games the guests repaired to the dining room, where delicious refreshments were served from a table dainty with lace cloth over pink and pink candles in crystal sticks, tied with pink satin ribbons falling from the chandelier above. An exquisite floral piece occupied the center. Those present were: Mr. and Mrs. W. D. Anthony and son, Raymond, of Dallas; Mr. and Mrs. M. C. Yerkes, professor and Mrs. V. S. Rogers Mrs. C. J. Oxley and Mr. and Mrs. B. C. Anthony.

### About El Pasoans

Mrs. E. V. Pickrell, who has been ill since her return from California, is much improved now and will be at home at 1315 Nevada street for the winter.

Mrs. L. W. Waddell, who was injured in a fall from a street our in front of the postoffice Thursday, is still confined to her home, 1123 North Oregon street. She was getting on a car when it started suddenly and she was through against the back, injuring her hip.

# Beauty and the Home -:-

Some Helpful Hints From Hattie Williams

of foot of interviewer; enter heroine, A. O. T., which means almost on time. And now, as dark-haired, sparklingeyed Hattle Williams is well worth listening to, the interviewer retires in favor of one of her pet stars, who "twinkle-twinkles" in blue linen stree; clothes and in the mantilla of Rosallilla of Sevilla as well.

"Every year I want to do just as well with the material at hand for my stage career as I possibly can," said the blue linen lady. "Now, if I am to the blue linen lady. "Now, if I am to become a lecturer on how to be as attractive as you can, I think I'll have to start off with the idea of making your ambition depend on your environment. What's the use of pining to be a dainty little dimpled darling if Nature clearly intended you for a willowy queen? I'd advise starting out by taking one long, earnest

Look in the Glass.

"See what you are, make on your

"See what you are, make up your mind what you have to work on, and consider your environment. If you live in a three-room tenement don't try to look like a languid beauty of the Newport colony. Stay in the pic-ture. Suit yourself to your place in life—but, if you can manage it, march at the head of the procession. Only Two Things. "A famous author and philosopher once said that there were only two things in all the world that were of

once said that there were only two things in all the world that were of positive good to man—riches and health. If I could only make all the girls who think that they are poor realize that they have half the wealth of the world if they are well!

Now the best way to keep well. Now the best way to keep the using.

Now the best way to keep well is to take plenty of exercise. Mollies is to take plenty of exercise. Mollies my exercise? asks Polly Poverty. Well that is easy to answer. Don't turn to external means for exercise. Find exercise in the simple tasks of every day as if you were a machine. You can put a sparkle finto potato reaching around to button your own both possible for the joy of do
Teaching around to button your own both possible for weight of the possible for weight of the world if they are poor the well is given a fair trial.

To everything with snap and vigor. Don't let your days get into a rut of reternal means for exercise. Find exercise in the simple tasks of every day as if you were a machine, reaching around to button your own body. Find the same way every day as if you were a machine, reaching around to button your own believed to many the possible that they are poor the wealth in the beauty of clean, interesting and tenniss. Where the blues over the ups where. Study humanity and see how darminely human you will become. Too' feet the blues over the ups where. Study humanity and see how any life—they make it in the teresting. If you're down, hope to get the all about you—make them every where. Study humanity and see how any fife—they make it in the same with the poor to get the blues over the ups and downs of life—they make it in the teresting. If you are up try to keep above getting down!

"With natural means for getting weak, nervous women to strength and downs."

With natural means for setting. If you is a up-if you are up try to keep above getting down!

With natural means for setting. If you is a park in the world of you are in the power of the power of the power. They were a machine

HATTIE WILLIAMS AT HOME, AND HER FAVORITE PICTURE

waist right up the back—in making your own bed. Above all find a chance for healthful exercise in saving your mother steps! Run out in the kitchen and get her a glass of ice water; pick up the spools she scatters when she gets up quickly from her mending. Stoop and take steps for your parents; wait on your little brothers and sisters. Do it all buoyantly, with upheld head and chest and deep breathing lungs. And then your muscles will be as fine and firm as if an expensive symnasium had put you through a course of exercise based upon the very moments you have been using.

Many Ways.

"Surprise yourself occasionally by going out of the humdrum beaten path. Keep your eyes open for new interests. Maybe the bootblack, the apple woman or the janitor's wife will have a stimulating effect on your nature if you meet them.

"Friends are fine things—have 'em all about you—make them every-
